(Reset Password Page)

The image shows a web page design for a password reset function. The left side features a dark orange background with a white circle logo containing the text 'HabitTracker' and the title 'Reset Password' in large white font. A large purple circle is partially visible at the bottom right of this section. The right side has a light orange background with the title 'Reset Password' underlined. Below the title are two input fields: the first is labeled 'New Password' with a hint 'At least 8 characters', and the second is labeled 'Confirm New Password' with a hint 'Type password again'. A purple 'Reset' button is positioned below the second field. The text 'Team 404 Project' is located at the bottom left of the orange section.
